Organic CleanLawn

1. Neudorff's Organic CleanLawn is the ultimate detox remedy for lawns. The fertiliser is made from natural ingredients and works hard to feed and nourish lawns to make them able to suppress moss and weeds naturally. www.neudorff.co.uk/products/organic-cleanlawn.html <please replace link by link to your own shop> <CleanLawn-bag image>
2. Achieve a beautiful lawn with minimum effort - let Neudorff's Organic CleanLawn do the hard work for you! This natural treatment is a five course meal for lawns, use it as part of your autumn lawncare routine for a healthy start next spring. www.neudorff.co.uk/products/organic-cleanlawn.html <please replace link by link to your own shop> <CleanLawn-Features image>
3. 3, Organic CleanLawn contains root-boosting mycorrhiza fungi, soil revitalising microorganisms and takes away the need for scarifying. Use in autumn to strengthen it in time before winter. www.neudorff.co.uk/products/organic-cleanlawn.html <please replace link by link to your own shop> <CleanLawn-benefits image>
4. Strengthen your turf before winter with Neudorff's Organic CleanLawn. It contains natural raw materials and added microorganisms for a lush, green, thick and moss-free lawn. www.neudorff.co.uk/products/organic-cleanlawn.html <please replace link by link to your own shop> <CleanLawn-bag image>
5. Organic CleanLawn is safe for use around children and pets, meaning treated areas can be used immediately after application, making caring for lawns this autumn a super-speedy process. www.neudorff.co.uk/products/organic-cleanlawn.html <please replace link by link to your own shop> <CleanLawn-bag image>

Organic Multipurpose Plant Food

1. Boxwood bushes should be given the last feed of the season during August or September. Apply Neudorff's Organic Multipurpose Plant Food so that the plant has time to mature before winter. www.neudorff.co.uk/products/organic-multipurpose-plant-food.html <please replace link by link to your own shop> <Organic-MP-Food image>
2. Neudorff's Organic Multipurpose Plant Food is fast acting and feeds for up to 100 days. It contains a blend of nutrients for healthy growth and high yields. www.neudorff.co.uk/products/organic-multipurpose-plant-food.html <please replace link by link to your own shop> <Organic-MP-Food image>
3. Prune boxwood plants during August and September to set them up for the winter ahead and feed them with Neudorff Organic Multipurpose Plant Food. www.neudorff.co.uk/products/organic-multipurpose-plant-food.html <please replace link by link to your own shop> <Organic-MP-Food image>
4. For a sweet, healthy and bumper crop of strawberries in 2020 fertilise them now with Neudorff's Organic Multipurpose Plant Food. The fast acting formula

feeds for up to 100 days and contains all of the nutrients they need.
